HALF OF THE GOLD

In an all-gold watch chain is buried—serves no practical use—adds nothing to the chain except extra cost.

Simmons Watch Chains

are gold filled, but outwardly they are identically the same as the all-gold ones. Handsomer chains can't be bought at any price.

One might as well have no watch as one that's fast or slow. An accurate watch isn't necessarily an expensive one—we have a variety of styles at comparatively low prices that are guaranteed to keep good time.
